Rob Brading will push for a new **25% tax on the porn industry to help fund programs to keep our kids safe.**

✓ **Rob Brading will work to keep our kids safe.**

His new tax on pornographers will mean millions more for programs to keep our kids safe from dangerous content and additional funding to help keep sexual predators off the streets.

✓ **Rob Brading will support tough laws to help parents protect their kids from violent and sexually explicit video games.**

These games hurt our kids and can have a serious negative impact on how they develop as teenagers.

✓ **Rob Brading is looking out for the values of our community.**

As the CEO of Multnomah Community Television, **Rob** successfully removed shows from the air that were indecent and posed a threat to our children and families.
